## PRODUCT WARRANTY

### TERMS AND CONDITIONS

By using the Guardsman ComfortMark Mattress Protector (“Protector”) at all times you will receive, for the above determined years from the date of purchase of the Protector including the warranty, the following benefits outlined below:

- 1 The ComfortMark® Protector will help protect the mattress against:
  - Food and beverage stains
  - Human and pet bodily fluids
  - Ink stains
  - Accidental damage
- 2 The ComfortMark Mattress Protector including a Product Warranty must be purchased at the same time and place as a new Mattress. The benefits outlined in this warranty document only apply to the Mattress purchased at that time.
  - a The Protector and the mattress must be delivered to you soil and damage free.
  - b The Warranty applies to the original purchaser only and is not transferable.
  - c The Warranty is valid in Australia and New Zealand and is only valid for private and domestic use (does not apply to commercial purposes such as hotels, rental properties, boarding houses etc).
- 3 If the Protector is stained or damaged and cannot be cleaned using the guidelines included in the warranty booklet, Guardsman® will replace the protector at no cost to you up to a maximum of 2 times during the specified period of warranty.
  - a Upon the maximum number of 2 replacements of the Mattress Protector this Warranty will be deemed to be at an end and Guardsman will have no further obligation under the Product Warranty.

- 4 If while using the Protector the Mattress becomes stained or damaged as a result of the failure of the Protector, Guardsman will arrange for the Mattress to be cleaned or repaired by a professional technician at no cost to you.
  - a You must notify Guardsman within 5 days of the stain occurring so that we have the best chance of removing the stain
  - b You must be able to identify the cause of the stain. If you cannot identify the cause of the stain, then Guardsman's obligation under this warranty is limited to 1 visit from a professional cleaning technician to clean that stain and the additional benefits in clause 5 do not apply.
- 5 Should the technician be unable to clean or repair the stained or damaged mattress, Guardsman will replace the mattress at no cost to you.
  - a In this case Guardsman's liability is limited to a maximum amount of the original purchase price for the Mattress acquired at the same time and place as the Protector or Guardsman's cost price, whichever is the lesser.
  - b Once a replacement is made, the ownership of the Mattress is relinquished to Guardsman.
  - c The replacement mattress is not eligible for further coverage under this or any other ComfortMark® Product Warranty, and Guardsman's obligation under this Warranty will be deemed to have been completed and the Warranty will come to an end.
- 6 This Warranty will cease immediately if the Protector has not been used to protect the mattress.
- 7 This is not a general cleaning contract and does not cover soiling from everyday use or stains that accumulated over time. If you wish to clean the Mattress, please contact Guardsman customer service for the details of a recommended cleaning technician.

## THE SECRET TO STAIN REMOVAL

Any spill, stains or spot is like cement in the way it works – the longer you leave it the harder it gets!

- Act immediately on the accidental spill for easy removal.
- Within one hour the stain has had a chance to sink and settle into the fabric.
- By the following day the stain is set in and will take a great deal of effort, not to mention cleaning chemicals, to remove.

The key to stain removal is to act immediately!
